

Meet SusieO...

Susie Oberdahlhoff ('O' for short) is a city-born preacher's kid turned farm-wife. Described as the "*Erma Bombeck of Agriculture*," she entertains audiences across the country with her wit and wisdom. Susie's unique perspective and gift of storytelling causes people to laugh at life and learn at the same time.

Susie's most requested program, **Kids, Crops, Sows & Plows; Life Happens-Learn To Bounce** is a humorous presentation that leaves audiences with a message they can apply immediately to their own lives. Weaved throughout her stories of life on the farm, Susie incorporates her 4 P's of Prosperity and reminds audiences of the importance of learning to bounce through life's twists and turns.

The Scoop on SusieO...

"Susie was a hit! Her stories are vivid and funny- everyone laughed. Even those who didn't come from a farm background found humor in her stories from her experiences as a farm wife. To top it off, Susie ended her presentation with some words of inspiration." — Leigh Britt, Boone County, Missouri Fair Board

"I recommend Susie Oberdahlhoff as a first rate entertainer. She has the gift of seeing the humor in almost any situation. Her jokes do not go over the line some comedians cross. Her humor will entertain and educate the audience. If she is available I recommend you hear her." - William Hungate, Retired U.S. District Court Judge

"Susie was the perfect speaker to kick-off our retreat. She's such a gifted storyteller... I could smell the pig!" — Debbie, Attendee, Women's Retreat- YMCA Trout Lodge

SusieO

Clean. Fun. Humor with a Message!

Other Activities:

When Susie isn't sharing her wit & wisdom with audiences across the country, you may find her doing one or more of the following activities- perhaps at the same time: sitting with hospice patients, picking up her granddaughter at school, mowing the yard, going to pig and steer shows, baking cookies, recording church minutes, reading to grandson, sending cards, picking up tractor parts, hunting antiques, paying bills, giving shots to pigs, going to health board meetings, driving her granddaughter to gymnastics, checking in on her kids, hunting for her black shoes, cooking for two... or ten, ordering cattle feed, planting flowers, getting her hair cut and of course- housework!

It's no surprise that her motto is: **"If You Rest, You Rot!"**
